ABOUT THE CAMP SESSION

Character Counts

On the first day of camp, behavior expectations are shared with all campers. Our behavior expectations focus on the YMCA character values of caring, honesty, respect, and responsibility. Incorporating these values, campers will learn how to ensure their own safety and practice ways to make other campers and counselors feel comfortable and valued. Our camp staff use positive reinforcement techniques when working with individual campers and whole cabin groups.

Camp counselors are also trained in working through behavior challenges. While coaching a camper with their behavior can be a normal and healthy part a camper's development, camp will not tolerate ongoing disrespect or violence. This includes emotional, social, verbal, and physical bullying, as well as inappropriate actions that violate our camp rules. If a camper chooses not to correct inappropriate and/or dangerous behaviors, Camp U-Nah-Li-Ya reserves the right to remove the camper from the program. The camper's parents/guardians will be responsible for picking up their camper from the camp site and no refund will be given.

Please take time to discuss appropriate behaviors with your child prior to their camp visit to help us ensure a safe and fun experience for all participants.

Specialty Areas

During the morning, resident overnight campers will spend their time receiving in-depth instruction in one of our six Specialty Areas. When you register, please be sure to select your camper's main interest and a secondary interest so that we can get your camper into the area of their choice. We will do our very best to get campers assigned to their first selection, but Specialty Areas are assigned on a first come, first served basis. We will occasionally have to place campers in their second choice to maintain quality of programming. Campers will progress through program challenges and learn in-depth skills in their selected specialty area.

Cancellation & Switching Sessions

We can always try to switch your camper to a different session if a conflict arises - just contact us about availability. If you need to cancel entirely, a two-week notice is required to receive any refund. If appropriate notice is provided, you will receive your camp fees back minus your \$100 deposit (per camper/per program).

1. A medical condition prevents the camper from participating. A written note from the camper's physician must be mailed or faxed to the Camp Office.
2. The camper transfers to a different camp program with a lower price.
3. YMCA Camp U-Nah-Li-Ya cancels the program.

Departure from the camp program due to homesickness or dismissal for behavior problems is non-refundable.

Fee Balances

A \$100 deposit per program was required at the time of registration (unless you chose to pay in full). Your remaining balance will be automatically drawn 30 days before your campers session, unless you have made alternate arrangements with us such as a monthly payment plan. If you have any questions regarding your final payments, please contact the

Lost & Found

Lost and found items are held at camp for the duration of the summer season. We will do our best to locate and return lost items; however, camp cannot be held responsible for personal property. Please label your camper's items. All unclaimed lost & found will be donated to local charities by September 1.

Virus Protection

First and foremost, if you, your camper or a close family member are at a high risk of developing severe symptoms/death from COVID-19, or its variants, you should not attend programs at YMCA Camp U-Nah-Li-Ya. While we have many prudent virus protection policies in place it is almost certain that your camper will be in close contact with other children, both vaccinated and unvaccinated. You, the parent, need to understand that the summer camp experience at U-Nah-Li-Ya is inherently and unavoidably more infectious than normal activities and make decisions that are right for your family.

The safety of your camper and your family is our number one priority. The quality of your camper(s) experience is our second. We believe that we can provide a meaningful summer camp experience for your camper(s) while taking every reasonable precaution to minimize the possibility of exposure to the COVID-19 virus. While Camp U-Nah-Li-Ya has always employed best practices for hygiene, health, and sanitation we will be implementing some additional practices for the maximum protection of your camper(s), your family, and our staff.

Below is a brief list of the precautions we will be taking this summer. The COVID pandemic is an ever changing situation. We will adjust precautions as prudent and directed by the guidance of the CDC and local health department. We will meet, but generally not exceed the scope of mandated protocols. Please refer to our website for our most current information regarding the virus and safety at camp.

- All guests will complete a health screening and temperature check upon entering the facility.
- Camper and staff temperature and symptom checks will be conducted daily.
- All campers, staff, and guests will be encouraged to wear masks when indoors with the exceptions of eating, sleeping.
- YMCA Camp U-Nah-Li-Ya does not require proof of vaccination for children to attend camp.
- Currently, YMCA Camp U-Nah-Li-Ya does not require a negative COVID test before coming to camp. This may change pending the availability of rapid tests. Please notify camp if you are sick or believe your camper may be sick so that we can reschedule your registration.
- Whole camp activities will take place outdoors with plenty of fresh air and distance.
- Hands will be washed before each meal and frequently throughout the day.
- Equipment and supplies will be sanitized regularly.
- Meals may be re-structured as necessary to minimize the number of people in the dining hall at one time with 6 feet of distance between tables.
- Capacities may be limited to reduce the number of campers per cabin.

If your family has an exposure to COVID we ask that you contact us immediately. We will rebook your camper for another session after they have quarantined for 14 days. You may choose to receive a refund instead, minus the non-refundable \$100 deposit.

If we have to cancel your session of camp due to COVID, we will issue a full refund for your camp fees.

BEFORE ARRIVAL: PREPPING & PACKING

Packing List

Please pack according to your child's needs and send old clothes rather than new items. Do not overpack or send items in paper/plastic bags as they tend to break easily. Mark all items with your child's name so that they may be easily claimed in the event that they are misplaced. Camp U-Nah-Li-Ya is not responsible for personal possessions.

**Any backpack will do but we suggest one designed for the outdoors.

Optional: Camera, book, journal, fishing gear, paper/envelopes/stamps

What NOT to Pack

One of the things that makes the camp environment special is the opportunity to create meaningful, personal connections with others. For this reason, electronic devices are not permitted at camp because they distract us from the natural environment and the people around us. (This includes CIT's and Assistant Counselors.) Camp takes pictures all around camp every day and posts them on our website for you to view and download from home, and we will always call you if we feel it's necessary. Please supervise your camper's packing and join us in encouraging them to "unplug" for this short time.

Do not pack:

- Candy, gum, snacks (they attract unwanted critters into the cabins)
- Cell phones/iPods/MP3 players (they distract from the camp program and are easily lost)
- Video game devices (they distract from the camp program and are easily lost)
- Pocket knives/weapons

These prohibited items will be confiscated by camp staff and secured in the Camp Office until the camper's departure.

Trip Participants

Be sure to check online for the trip specific packing list.

Homesickness Prevention

Homesickness is a very normal, and often temporary, response for some campers. With proper handling by parents and staff, a case of homesickness can be prevented or easily overcome while the camper gains independence and feelings of success. The camp staff are extensively trained to handle homesickness in a sensitive and compassionate way so that your camper has a great week!

- Reassure your camper that you want them to have a wonderful time, and avoid giving them an "out" to come home or call if they miss you.
- Pack a familiar object from home, such as a favorite stuffed animal.
- When sending your camper a letter, let them know how excited you are to hear about all of their adventures!

HEALTH AND MEDICATIONS

Health & Authorization Form

When you log into Camp Brain, choose registration details to complete the Health Form. If your camper is participating in an Excursions Trip you must also print and complete the physician's authorization form from our website under the parent handbooks & forms section. Camp must receive the completed form; including immunizations, a physician's signature and a parent/guardian's signature; **at least two (2) weeks prior to your camper's session**. This form and physician's physical, is NOT required for 4 Day or 6 Day resident camp, Extreme Teens, CIT or AC programs.

Health Care

A medical superviro is on-site throughout the week for health needs and medication distribution, and a physician is on call. Camp will be in immediate contact with the camper's family in the case of a serious medical concern, illness, or incident. All camp staff are first aid and CPR certified and equipped to handle routine first aid needs. Camp U-Nah-Li-Ya does not carry medical insurance for camp participants.

[Are you a registered nurse? Please call us if you're interested in assisting us with Sunday check-ins and/or being a Camp Nurse during your camper's session!](#)

Medications

Please note your camper's medications within the health form online. Prescription, over-the-counter, and herbal medications must be turned into the Camp medical staff upon arrival. With the exception of rescue inhalers and epipens, campers are not allowed to have medications on their person or in their belongings while they are at camp. Medications **MUST** be in their original containers and must not be expired. Prescription medications must also be clearly labeled with the physician's name and dosage instructions. We highly encourage medications to be pre-filled and bubble packed for your session(s) by a pharmacist - inquire at your pharmacy.

Food Allergies/Restrictions

If your camper has specific dietary requirements or severe food allergies, please call us so we can be fully prepared for your camper's stay. Just call us at 715.276.7116 and ask to speak with our Food Service Manager.

OPENING DAY

Sunday Check-In

All programs begin on Sundays. Campers and families are asked to arrive at camp between 1:30-3:00PM on Sunday afternoon. The camp gate will open promptly at 1:30PM. Please do not plan to arrive prior to that time. You will be greeted at the gate where you will receive your camper's cabin and counselor assignment. Once you meet the counselor and settle in, you are free to explore camp, visit the Camp Store, and acquaint yourself with Camp U-Nah-Li-Ya. We invite you to attend Opening Ceremonies at 3:30 where you will meet the staff and sing a crazy camp song! Family and friends are welcome, but family pets are not allowed at camp.

The camp medical staff is also available during check-in to collect medications and discuss any health-related questions.

Directions to camp can be found on our website at www.campunahliya.org.

Camp Store

Each camper begins with a \$5 credit in their store account (included in the camp fee). Additional money can be added when you arrive for Sunday check-in. Campers don't use cash in the store. Instead, a camp staff member keeps track of transactions like a debit account.

Balances remaining on your child's account at the end of their session are non-refundable due to processing fees associated with refund transactions. All camp store account balances will be contributed to camp's Annual Campaign, a fund that provides financial assistance for our summer camp families.

The Camp Store is open twice daily (Mon-Thurs) and once on Friday morning for your camper to visit during Open Recreation times. Food items may only be purchased following dinner, and campers are limited to two food items and one beverage each day.
